Empty Park
Strike Zones
(STR1, STR2,
STR3)

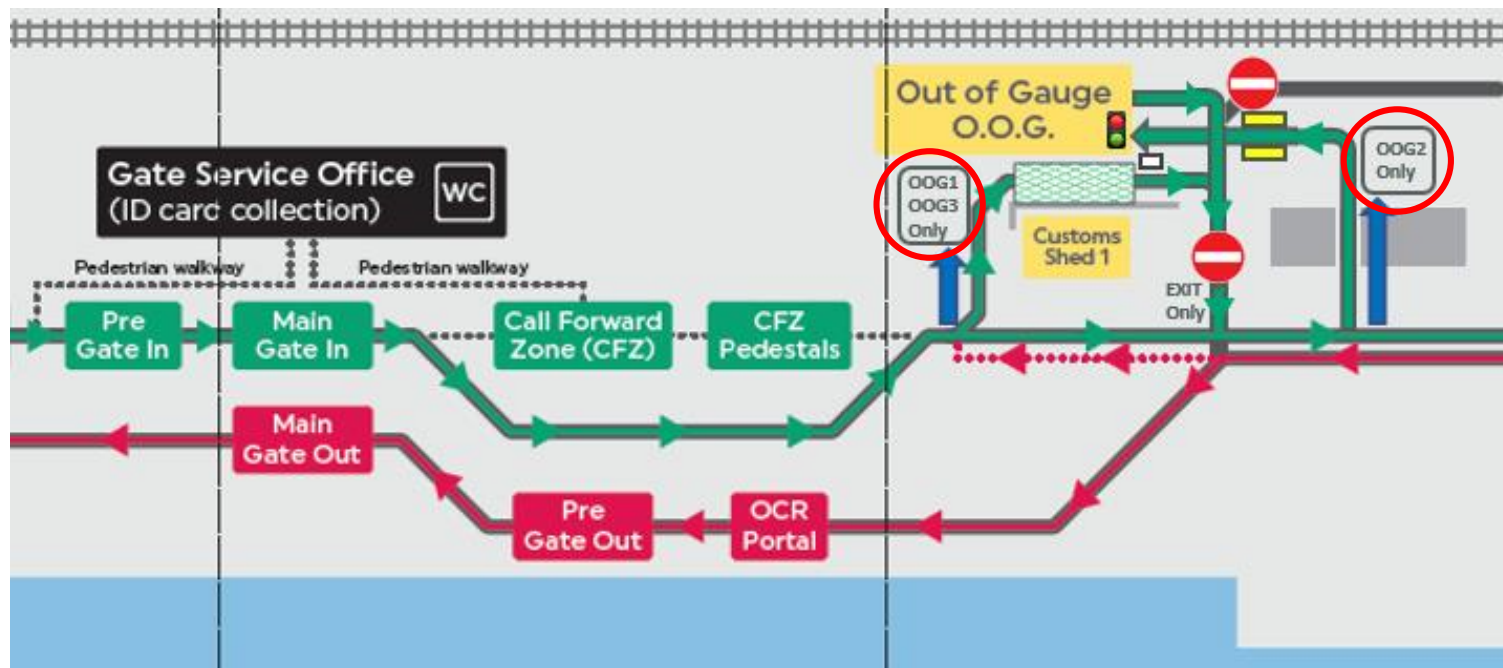

Empty Container Park

- Before entering your designated STRIKE ZONE:
 - Park in the GREEN hashed area and unlock twistlocks, before proceeding to STRIKE ZONE on ticket
- 
- Level trailer to aid fork lift, and avoid damage to trailer
 - Proceed to STRIKE ZONE (STR1, STR2, STR3) when it is empty
(DO NOT pass behind a vehicle that is parked in a STRIKE ZONE and being served)
 - Remain in STRIKE ZONE until the container is lifted, before moving off

OOG Access & Road Layout

Where To Go?

- From the Main Gate, follow signage to the designated job location on ticket for OOG1 & OOG3 or OOG2
